

Svalbard Odyssey

Oslo, Norway, Europe

Day 1 Arrive in Oslo

Having made your way to Oslo, check in at our group hotel at Oslo Airport. Please visit the Aurora Expeditions hospitality desk to collect your luggage cabin tags and to speak with our ground operations team, who may have information to share with you about pre-embarkation or to provide you with information about where to dine, withdraw cash or purchase last minute items from a local pharmacy or supermarket. The remainder of your time is at leisure. All meals today are at your own expense. Accommodation: Radisson Blu Airport Hotel, Oslo Gardermoen

Day 2 Fly to Longyearbyen for embarkation

This morning, please ensure your cabin luggage is fitted with cabin tags clearly labelled with your name and cabin number. Enjoy breakfast at the hotel before transferring to the airport for our charter flight to Longyearbyen for embarkation. Any valuables or personal items should be kept on you throughout the day. The charter flight is scheduled to depart 08:05 for Longyearbyen and arrive at 11:15. In Longyearbyen, explore the town on a guided excursion tour. On the drive to Camp Barentz, located in Advent Valley, your guide will give you an introduction to Longyearbyen's fascinating history. Once at Camp Barentz we enjoy a presentation in the large 'lawo' - a traditional building common in northern Norway. You will also have the opportunity to meet the friendly huskies and perhaps pick up some souvenirs. A visit to the Svalbard Museum and the Seed Vault is included back in town before embarking the vessel in the late afternoon. After the tour, you will be transferred directly to the pier to embark in the late

afternoon. Settle into your cabin before attending important safety briefings and enjoy the thrill of departure as we 'throw the lines' and set sail. *Note: the excursion is contingent on the arrival time of our charter flight to Longyearbyen.

Days 3–11 Svalbard

Svalbard offers Arctic wilderness at its best. The members of our experienced Expedition Team, who have made countless journeys to this area, will use their expertise to tailor our day-to-day itinerary, choosing the best options, based on the prevailing weather, sea-ice conditions and the possibility of encounters with wildlife. Phenomenal fjords, magnificent mountains ranges, and a polar desert rich in fossils, set the stage for heroic tales of early exploration. See walrus hauled-out on sea ice or on beaches. On land, we stretch our legs on walks across tundra carpeted in brightly coloured wildflowers. We visit towering cliffs noisy with nesting guillemots and puffins, and scree slopes that hold Svalbard's largest little auk colonies. Most memorable will be encounters with the majestic polar bear on pack ice. If you have chosen an optional activity such as kayaking, you will have an opportunity to enjoy that activity when conditions allow. For those who are enthusiastic to participate in a polar plunge, as soon as conditions are suitable, you will hear the announcement to prepare for an exhilarating dip – a memory you will savour for years to come.

Day 12 Disembark in Longyearbyen, fly to Oslo

During the early morning we cruise back into Longyearbyen. Farewell your Expedition Team upon disembarkation and enjoy some free time before transferring to the airport for our charter flight back to Oslo. The charter flight is scheduled to depart at 12:15 for Oslo and arrive at 15:25 (03:25 pm).
